A message from Barbara, Pre-School Manager

A new year with new groups, new children and new session times. The children have settled well into the daily routines and are getting to know each other.

As the children settle, extra sessions can be added at any point in the year if there are spaces in the sessions. It is also possible to take ad-hoc sessions if you have a work or family commitment – morning only £15, all day £30 (£25 for Friday). The Tuesday session is full but there are spaces on each of the other days. Payment for ad-hoc sessions needs to be paid on the day by cash, cheque or BACS.

Parents have had their first social of the year, which I understand went well despite the awful weather that evening. As some parents couldn't make it, another evening will be organised shortly.

A message from Tiz Cowen—Committee Chair

A warm welcome to the new children and parents who have joined Broadlands this term. As you may know, Broadlands is committee-run which means that a group of parents and ex-parents oversee the management of our lovely pre-school and support Barbara and her team in the day-to-day running of the setting. If you would like to find out more about the committee, do ask Barbara or one of the committee members (see next page). Broadlands relies on the help and support of our parents, so we look forward to getting to know you and hope you will enjoy being part of the Broadlands community.

Fundraising:

When you need to buy name labels to ensure shoes and clothing don't get lost, if you purchase these through 'My Nametags' quoting our ID number – 13886 – we get a percentage of the orders, so please use this service in order to benefit Broadlands.

Remember that if you use www.easyfundraising.org.uk when doing online shopping, it will also help to raise money for Broadlands.

Early Morning sessions

Don't forget about our Early Morning Club, which runs on Tuesdays and Wednesdays between 8.15 and 9 am. These earlier drop-offs can be used regularly or as a one-off when needed. Please speak to Barbara for more details.

Social media

Our website, broadlandspreschool.org.uk, has useful information for parents. We also have Facebook and Instagram pages where we share pictures and updates, so please follow us.

Marketing

As always, please spread the word and let people know about Broadlands, either face-to-face, or virtually, by sharing our Facebook and Instagram marketing posts on your timeline or to local groups. It would also help if parents could leave a review on our Netmums page, our Facebook page, or Google reviews. Or if you attend a local children's group or activity that would display a poster or let you hand out leaflets, please drop Barbara a line.
